”Create new user”

Ange endast: First name + Last name
→ SAVE

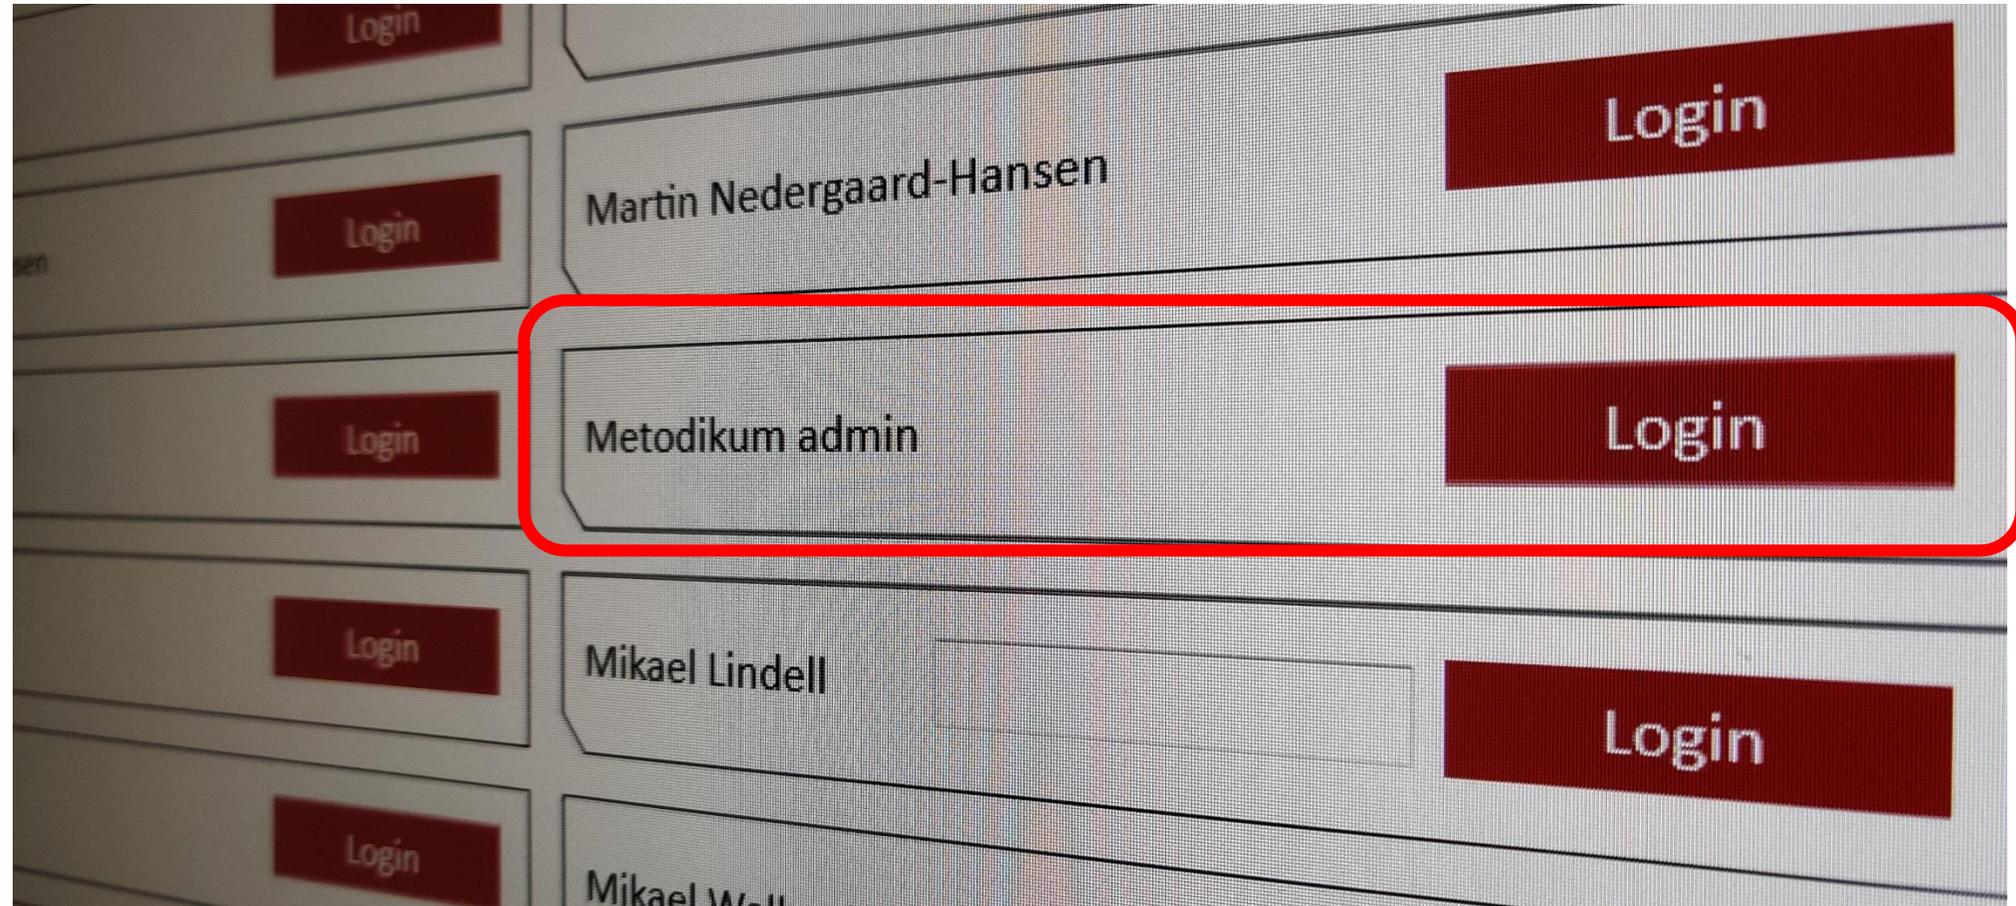

The image shows a screenshot of a web application interface for creating a new user profile. A modal window is open over a grid of user login cards. The modal has the title "Create a new user profile" and contains several input fields: "First name:" and "Last name:" (both marked with an asterisk as required), "User role:" (with a dropdown arrow), "Email address:", "Password:", and "Verify password:". A white callout box with the text "OBS!! ange inte lösenord!" is positioned over the password fields. At the bottom of the modal, there are "Cancel" and "Save" buttons, with the "Save" button highlighted by a red box. The background shows a grid of user cards, each with a name and a "Login" button.

First name	Last name	User role	Email address	Password	Verify password
